## A Message from Our President

ALFREDO CENTOLA

We live in a world where social media dominates and has to some extent taken over socialization. We rely on Facebook and other sites for our immediate gratification of information. We listen and read soundbites and make determinations of what is or is not fact. We are a society that has taken out the meaning of truth and substitutes it with “your, my, his, her,” or any version of the truth when once upon a time the truth was the truth and everything else was an opinion or a version of the truth. That said, we are fortunate to live in a community that while relying on social media for updates and information, we also reach out to our neighbors, we say hello, we acknowledge each other for good, bad or indifferent. We are a community of proud passionate people who at the end of the day, regardless of method, the objective is the same.

We live in Whitestone Queens without a doubt one of the most desired communities to live in for many different factors. Our schools, our parks, our location, location, location! We are fortunate enough to live in a community where most residents refuse to leave and their children more often than not, do not move away they look to stay. Young residents who are ready to raise their own families do whatever is within their realm to raise their families in the very community they were raised in.

Yes we have our issues. After all, as much as we are a small town community feel neighborhood, we do belong to NYC and are a small part of the largest Borough. Our civic has taken up the fight against the onslaught of helicopter and small craft noise and have had success in curtailing a large percentage of it. Our civic has taken up the fight off overdevelopment at several locations and has had success. Our civic has taken up the fight to stop the infernal bass that assaults many residents overnight causing health issues as well as attacking our quality of life. While we are still working on it, I assure you our NYPD along with a few elected representatives, are working on it.

We are fortunate enough to have incredible events within our community such as toy drives, coat drives, food drives, park clean ups, graffiti cleanups, concerts in the park, family fun day, self-defense, first aid, CPR , block watch and many many other events. This good luck can only happen because our business members, many of whom are also residents are quick to give back and sponsor our events. We are fortunate that those of you that step up and get involved give it 1110% “you”, our residents and volunteers.

I will say it again, we are fortunate. Compared to other communities, we are paradise. I encourage all of you to GET UP, GET OUT AND GET INVOLVED. Every little bit helps, I know we are all busy and no one ever thinks they can dedicate any time. Believe me, you can and you would be surprised the fulfillment you get from just a little bit of involvement. I’m not saying hours and hours, remember every little bit helps so please GET UP, GET OUT, GET INVOLVED.

# "GET UP, GET OUT AND GET INVOLVED."

## We Love Whitestone's: GOOD NEIGHBOR AWARD!

OUR FIRST AWARD GOES TO NEIGHBOR: JEFF ADAM BILODEAU

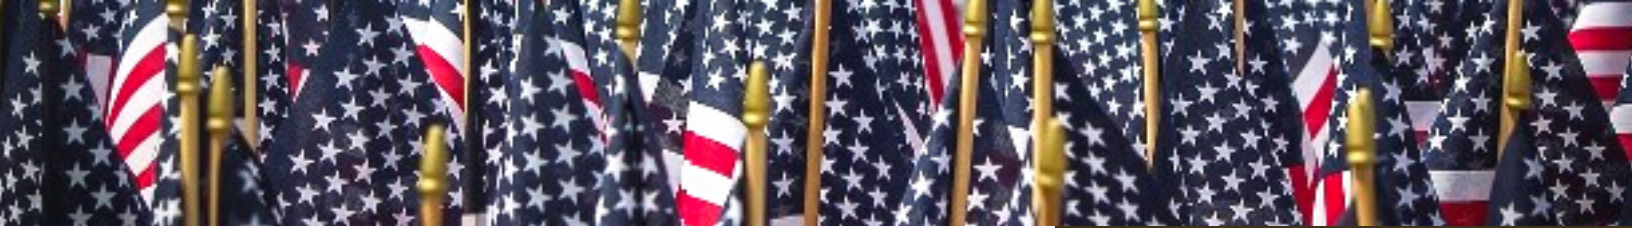

Most of us in Whitestone know Mr. Jeff - The Jeffrey Adam Bilodeau!

He is a great neighbor and friend to many of us. He is also a compassionate friend of all creations, especially animals and birds - He is a " Saint Francis of Whitestone!!" Given his rustic voice - He is a " Frank Sinatra of Whitestone". Given his culinary skills - Chef Jeff is a " Gordon Ramsey" of Whitestone! Jeff is a proud American who loves our country and our values. He loves our neighborhood, our community and all we do. He cares for people in unique ways!! Be it a stranded car in the middle of a highway or a homeless person in need of some care and conversation, he is there for them. He is a listening ear to many who need to be heard. He cares for our community and strives to keep things clean around our neighborhood and around neighborhood parks. He shares positive vibes through thoughtful insights, quotes, random thoughts, sunset pictures from around our parks and bridges to mention the few. On a lighter note, he has been waiting to win a mega million lottery to give it away for those who are in need. We wish him for the dream to come true!! Jeff is a man of faith and prayer. In his own words he often says, " I pray and go to church not because I am perfect, just the opposite of it. I need God to help me everyday in my challenges and in my failures to grow and live in God's favor and grace." He attends Immanuel Lutheran Church and helps with many of our community outreach. His favorite bible verse: " The Lord Bless you and Keep you; Lord make His face to shine upon you and be gracious to you; May the Lord give you favor and peace". (Numbers 6:24-26). He speaks that blessing to many people on a given day!

Congratulations, Jeffrey Adam Bilodeau on this well deserved honor as the FIRST recipient of We Love Whitestone's Good Neighbor Award!

- Pastor Johnson, Immanuel Lutheran Church

## Veteran Spotlight

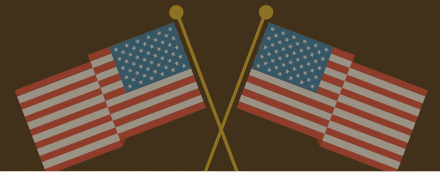

THOMAS MECIR, SR. - WRITTEN BY DORIAN MECIR

Thomas Mecir, Sr. was a proud veteran that served 4 years in the US Army, enlisting at 18 years old. He then served 4 years in the Army Reserves while working in his family butcher shop. In the 1960s he joined the FDNY where he was first a Firefighter for many years and then retired as a Fire Marshall. Tom was known around the firehouse as “Tom the Arm” for his strength and unmatched arm wrestling skills. Tom lived most of his life in Whitestone along with his wife, Josie and their children . He served his country and his city with honor. He enjoyed sailing, was a master gardener, a great chef and could fix anything. Tom lived life to the fullest....the grass was “always greener” in his own backyard and the waters were “always blue” right here where he docked his sailboat near Whitestone. He appreciated and enjoyed the simple things in life. Tom passed away in January, 2022. We remember and celebrate him for being a dedicated veteran, one of New York’s FDNY bravest, a good neighbor and a great part of our Whitestone community.

Tom in his Army days pictured with “the whole nine yards” belt of ammuniton and with his tank “Josie”. Also pictured at the FDNY Training Academy on Randall’s Island in the 1960s.

Tom was known around the firehouse as “Tom the Arm” for his strength and unmatched arm wrestling skills.

## 109 trains Block Watchers

Feb 24, 2022

Photo by Al Centola

We Love Whitestone Civic Association teamed up with officers from the 109th Precinct of the New York Police Department for the organization's annual Block Watcher Training Course on Saturday, Feb. 19 at St. Luke's Roman Catholic Church.

During the two-hour course, roughly 25 attendees, some of whom — including Deborah Cvirko, second from left, and Regina Broad, right, are seen above with officers Ares Huang, center left, and Mark Burger — learned how to be better witnesses and how to report incidents on a 911 call.

Those certified are given an ID number, which they can give to a 911 operator, indicating that they have been trained to know what to look for.

"This is a great opportunity to learn what to look for and how to be a vigilant observer," WLWCA president and founding member Al Centola told the Chronicle.

## Purse/Wallet.

TIPS FOR YOUR PERSONAL SAFETY

### What Can I Do?

#### Grip

Carry purses or briefcases in a manner that will allow you to let go.

#### Release

If someone attempts to snatch your pocket book, let go of it, especially if there is a weapon involved.

#### Long Strap

If there is a long strap, wrap it around the bag.

#### Keys

Carry your keys on your person separate from your identification.

#### Purse

Be particularly aware of your purse/wallet in crowded situations, such as rush-hour trains and buses.

#### Straps

Straps placed across your shoulder, around your neck or wrapped around your waist have caused injuries because women could not free themselves during a purse snatch.

#### Carry

Always be aware of your surroundings and carry your pocketbook clasp toward you, close to your body, tucked in the bend of your elbow as if it were a football.

#### Bumps

If you are jostled in a crowd, be aware that a pickpocket might be responsible.

#### Cash & Cards

Divide money between your purse/wallet and pockets.
